

SBI Foundation is actively presenting its CSR initiatives and impact through various media channels and with the strong presence on social media channels like **Facebook, YouTube, Instagram, LinkedIn and Twitter**, our reach and visibility has been enhanced with the support and positive response from our social media followers.

We have recently documented videos of our CSR projects and in a short span of time, our YouTube and Facebook channels have received an overwhelming response from the audience.

For more information about our CSR projects, visit our [YouTube Channel](#)

Thanks,

SBI Foundation
