

## SBI FOUNDATION PARTICIPATED IN SBI GREEN MARATHON 2018, DELHI

State Bank of India organised the SBI Green Marathon on 30th September 2018 at JLN Stadium, Delhi to create awareness about sustainability and the need for everyone to adopt sustainable practices to save our nature.

On 30th September 2018, **SBI Foundation** participated in the green marathon to raise awareness about the protection of the environment which is needed for sustainable development. SBI Foundation had placed a **canopy, standees and banners** to display the projects, flagship programs and other initiatives of the Foundation done during the period of 3 years. Shri Nixon Joseph, President & COO, SBI Foundation participated in the 10Kms run to encourage youth of Delhi and all other **SBI Bank employees** to stay fit and keep our environment clean.

SBI Foundation kiosk received **huge footfall** and **positive response** from the crowd gathered for the marathon. One of our flagship programs- SBI Youth for India has registered more than 60 applicants for the fellowship programs.

All the activities, experience and the feedback from Delhi public have been covered in all **social media channels** of SBI Foundation.

We are looking forward to raise more awareness and engagement of the public towards environment protection and sustainability in upcoming **SBI Green Marathons**.
