Dear Patrons,

SBI through its CSR arm, SBI Foundation, has been trying to build momentum to transform India. Its focus is on improving the socio-economic well-being of the society, particularly of the less fortunate and underprivileged members and enable them to live up to the potential that they all possess.

This would not have been possible without the support extended by you. SBI Foundation has positively impacted lives of more than 10 lakh people in 22 States of India through CSR projects under Healthcare, Education, Skill development, Women empowerment, Rural Development and Environment & Sustainability and the flagship programs viz. SBI Gram Seva, SBI Youth for India and Centre of Excellence for PwDs.

We remain committed to delivering sustainable solutions to equip equal opportunity, maximise human development and support aspirations of the youth, women and vulnerable segments of our society.

On behalf of SBI Foundation, I wish to express our sincerest appreciation to all our well-wishers who provided us with the funds and valuable resources to continue our work towards achieving the goal of **#ServiceBeyondBanking**.

Best Wishes,

Mahendra Kumar Rekhi,

MD&CEO, SBI Foundation
